

Luetjensee, known as the 'Three Lakes municipality', has been the home of PAV since the mid-1950s. The head office, as well as major parts of the production facilities for cards, mailings and inlays, are located in Luetjensee itself, the printing centre newly established in 1992 is located in the district of Luetjensee-Dwerkatzen.

Today, a workforce of 250 skilled employees works in production facilities covering a total of 12,000 square metres.
